Dear Sponsor,

Do you place great value in the well-being and future of our children? Do you support the people who make a difference in the lives of children every day?

The Missouri School Age Community Coalition (MOSAC²) cares and MOSAC² is the leading statewide professional organization that trains and supports the people who work with children every day, before and after school hours.

The reason for this contact is to request your corporate support and sponsorship for the MOSAC² Professional Development Institute, to be held Nov 4 - 6, 2011 at the University Plaza Convention Center. This annual conference provides professional development training hours for school age care workers from across the state of Missouri and Kansas. As a contributor to this statewide conference through monetary donations, items for our Silent Auction, giveaway items for the conference attendees, etc., there are many levels of sponsorship participation available to you.

Please feel free to contact me at (417)891-1628 or jloveland@springfieldmo.gov for any additional information or clarification you may need. J.C. Loveland, Recreation Supervisor Springfield Greene County Park Board, is the initial contact person.

Thank you for your support of the School Age Care profession and we look forward to hearing from you.

Sincerely,

The Missouri School Age Community Coalition
Professional Development Institute Planning Committee
